from the live Stock Experts in
charge of the A.M. Dept. stating
at none of the three current
mahal. kavals in the Nagainangala
Taluk can be thrown open for
grazing of cattle.

Subd. for orders.

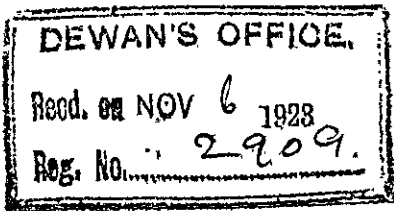

On 11/11/23. Cullis report on
6/11 recommendation of the
Rev. Cms. Govt. Secy. Sanction
Certain measures of relief for
distress in Nagainangala Taluk
in Mysore District in G.O. No 34-37
Dated 25.10.23. In para 2 of the above
order, the Director of Agr. & C. was
requested to permit for grazing
of cattle in the Muni Mahal
Kavals. In reply to this, the Director
has forwarded this report of the District
live Stock Expert stating that there
are three kavals in the Taluk, of which
two are hot weather kavals & the third
is a dry kaval & consequently it would
be impossible to throw them open.

Should routine notes be written on small slips,
the notes must be copied, or slips pasted on
this form.

1990

ROUTINE NOTES.

[To be used only for notes, requisitions, etc., not intended for permanent record.]

He further states that the total area of the Karas being only 440 a/c, the Government would not help much. Under the circumstances, the R.C. may perhaps be asked to suggest some other suitable arrangement in place.

OFFICE OF THE REVENUE COMMISSIONER
IN MYSORE.

RM 11-23-1
No. C. 147/23-24
Encl: 1

~~Bangalore~~, 20th October 1923.....
Camp Mysore

FROM

K. Chandy, Esq., B.A.,

Revenue Commissioner in Mysore.

To

*The Secretary to the Government of
His Highness the Maharaja of Mysore,
R e v e n u e Department.*

SIR,

In forwarding herewith copy of letter No.R.H.C.291/
23-24 dated 16th October²³ from the Deputy Commissioner, Mysore,
which he had sent to Bangalore instead of direct to me here in
camp, I have the honour to state that I informed the Deputy Commis-
sioner on the 4th instant. that it had been reported to me that
conditions in Nagamangala were unsatisfactory and requested him
to depute the Sub Division Officer forthwith to make a detailed
investigation. The Sub Division Officer's report has not been
received and is being sent for but it is learnt ^(from a previous report) that conditions are
anxious, and as there was a good crop last year, the staying power
is greater than in Maddagiri and Goribidnur.

2. Immediate orders may kindly be issued permitting
free grazing of cattle in the Amrit Mahal Kavals and the Director
of Agriculture may also be instructed to open a Fodder Depot at
Nagamangala.

3. The Deputy Commissioner is very vague in para 6 of
his letter as regards his requirements; and I am not convinced
that a survey of the needs of the Taluk has been done as carefully
as is required. This should have been done ere now especially
as I had informed the Deputy Commissioner that the situation

required close attention. I am asking him to do it now so that actual requirements might be definitely known; and would request that for the present Rs.5,000/- may be sanctioned for Village Improvement Works, Rs.5,000/- for Tank maintenance; and the Chief Engineers for Irrigation and Roads may kindly be placed in funds to the extent of about Rs.10,000/- and Rs.5,000/- for taking up restoration and road repairs. If there should be good rainfall ^{probably} during the next ten days, most of the works can/be closed; but sanction of funds to meet the alternative contingency is requested.

I have the honour to be,

S i r,

Your most obedient servant,

W. Gaudy

Revenue Commissioner.

BR.

W. Gaudy

Letter No.R.H. C.291/23-24 Rev. dated 16th October 1923 from the Deputy Commissioner, Mysore District, to the Revenue Commissioner in Mysore, Bangalore.

In continuation of this office D.O. No.62 dated 10th October 1923 re the unfavourable seasonal conditions of Nagamangala Taluk, I have the honour to state that the Sub Division Officer, French Rocks, after touring throughout the Taluk has reported that the dry crops are withering everywhere for want of rains as in most other parts of his Sub Division, and that there would be a total failure of these crops if rains were to hold off for another week or fortnight longer, that the prospects of the season are far from satisfactory and that the situation would become more unsatisfactory if rains were to hold off for another week and serious if they hold off for a fortnight.

2. With regard to wet crops, it is reported that the supply of water in most of the Taluks having been exhausted there would be a total failure of these crops if the tanks do not receive a good supply in 8 or 10 days.

3. As regards the scarcity of fodder, it is reported that in some portions of the Taluk, the raiyats are said to have still some stock, whereas in others they seem to have run short of their stock, feeding their cattle with scraped grass and grass root at a season of the year ~~xx~~ when plenty of green grass has to be found.

4. Though the situation is not serious just at present, the conditions are such as to cause anxiety if the rains should hold off for some days more.

5. To meet the situation at present, and in order to be prepared for any further developments, I have arranged to place an additional allotment of Rs.500/- at the disposal of the Amildar Nagamangala Taluk out of the amount held in reserve for grant of takavi loans. The President, Taluk Board, Nagamangala, has been authorised to take immediate action to get temporary wells sunk whenever he is satisfied that such wells are necessary on account

P.T.O.

of scarcity of water.

6. In addition to these, I request (i) that the Director of Agriculture may kindly be addressed to have a fodder depot opened at Nagamangala Taluk Head Quarters, to be eventually extended to Hobli Head Quarters also if necessity arises, (ii) that necessary funds may be placed at my disposal and at the disposal of the Executive Engineer for taking immediate action for starting Village Improvement works, Tank maintenance and restoration works, and District Board works. I may add that the situation is being watched by the local officers and myself carefully.

14609

Rec. 366-Hc. 122-322 of 23-24

November 1, 1923

FROM

H. V. KRISHNAYYA, Esq., B.A., F.C.S.,

OFFG. DIRECTOR OF AGRICULTURE IN MYSORE,

BANGALORE.

TO

Jeyarama Aiyar, Esq., B.A., B.L.,
Secy. to Govt., Rev. Deptt., Bangalore.

SIR,

Subject - Relief measures in connection with unfavor-
able seasonal conditions in
Nagamangala Tk.

With reference to para 2 of Government Order No.C.34-39/R.M.11-23 dated 25th ultimo, I have the honour to forward herewith for the orders of Government, copy of letter No.9.56/A.L.D., dated 29th idem, from the Live Stock Expert in charge of the Amrit Mahall Department, stating that none of the three Amrit Mahal Kavals in the Nagamangala Taluk can be thrown open for grazing of cattle.

I have the honour to be,

Sir,

Your most obedient servant

H. V. Krishnaya

Offg. Director of Agriculture.

3. Live Stock Expert's letter No. C.56/ALD of 29-10-1923

Ref:- Your No. Roc. 366-Hc. 122 of 23-24 dated 26-10-1923.

--

I have the honour to state that there are three Amrit Mahal Kavals in the Nagamangala Taluk, the area of all the three amounting to 440 acres. Of this extent the Mutsandra Mahal Kaval of 70 acres extent has been leased out, and the remaining 370 acres are hot weather kavals attached to the Tiptur Sub Range. Conditions for the growth of grass have been bad this year in Tumkur, Holenarsipur Ranges and Tiptur Sub-range, and every possible acre of hot weather kaval will be required for the Amrit Mahal cattle during the coming season.

Under these ~~in~~ circumstances, I regret, you will, I think, agree that it will be impossible to throw these kavals open to common grazing, nor would the area make an appreciable difference to the taluk if it were.

" C O P Y. "

Offg. Director of Agriculture.
